

Carlos Menéndez de Solas  
International Cooperation Officer  
EU-SA APP II project manager  
Strategy & Safety Management Directorate

To: Director-General / Chairman / Executive Director  
Civil Aviation Authorities in South Asia

CME/SM3

Cologne, 09 February 2024

**Subject: Invitation to the international activity:**

**EU-SA APP II - Air Navigation Initiative**  
**ANSP Certification and Continued Oversight Workshop**  
**Sri Lanka, 18 – 21 March 2024**

The EU-SA APP II project's Air Navigation Initiative keeps cruise altitude with already the third regional workshop scheduled from 18 to 21 March 2024, in Sri Lanka. This 4-day workshop aims at providing an overview of ATM/ANS rulemaking, oversight & certification methodologies in the EU, identifying potential applications at bilateral and regional level, while encouraging harmonisation and cooperation in South Asia.

As a continuation of the successful workshop on Air Navigation Planning and Performance Management held in Maldives in September 2023, and the Centralised and Regional Air Navigation Services in Europe Workshop held in Sri Lanka from 29 January to 02 February 2024, the workshop will seek to facilitate a holistic understanding of European practices while tailoring discussions to the specific needs and challenges of the South Asian region, thereby fostering a collaborative approach to air navigation development led by EASA & EU-SA APP II ATM/ANS experts.

**Target participants for the workshop include members from the Civil Aviation Authorities in South Asia and relevant Air Navigation Service Providers (ANSPs).**

The EU-SA APP II project will fully sponsor travel, accommodation, and meal plan for the following representatives<sup>1</sup>:

- Two representatives from each CAA
- One representative from each ANSP per state

Additional representatives could be accepted on a case-by-case basis and upon agreement of the EU-SA APP II team. Partial sponsorship could be offered for specific cases.

Yours sincerely,

**EASA**  
European Aviation Safety Agency

Carlos Menéndez de Solas

<sup>1</sup> Subject to the approval of the designated participants by the EU-SA APP II team.
